How to Use This Book

1. Find the picture at the START. Put your pencil or crayon there.
2. Draw a line along the white path. Try not to cross any black lines!
3. Keep going until you reach the picture at the FINISH.
4. Stuck? Go back and try another way. Every maze has one way through.
5. The stars show how tricky a maze is. The mazes get a little harder as you go.
6. When you are done, color in the pictures!

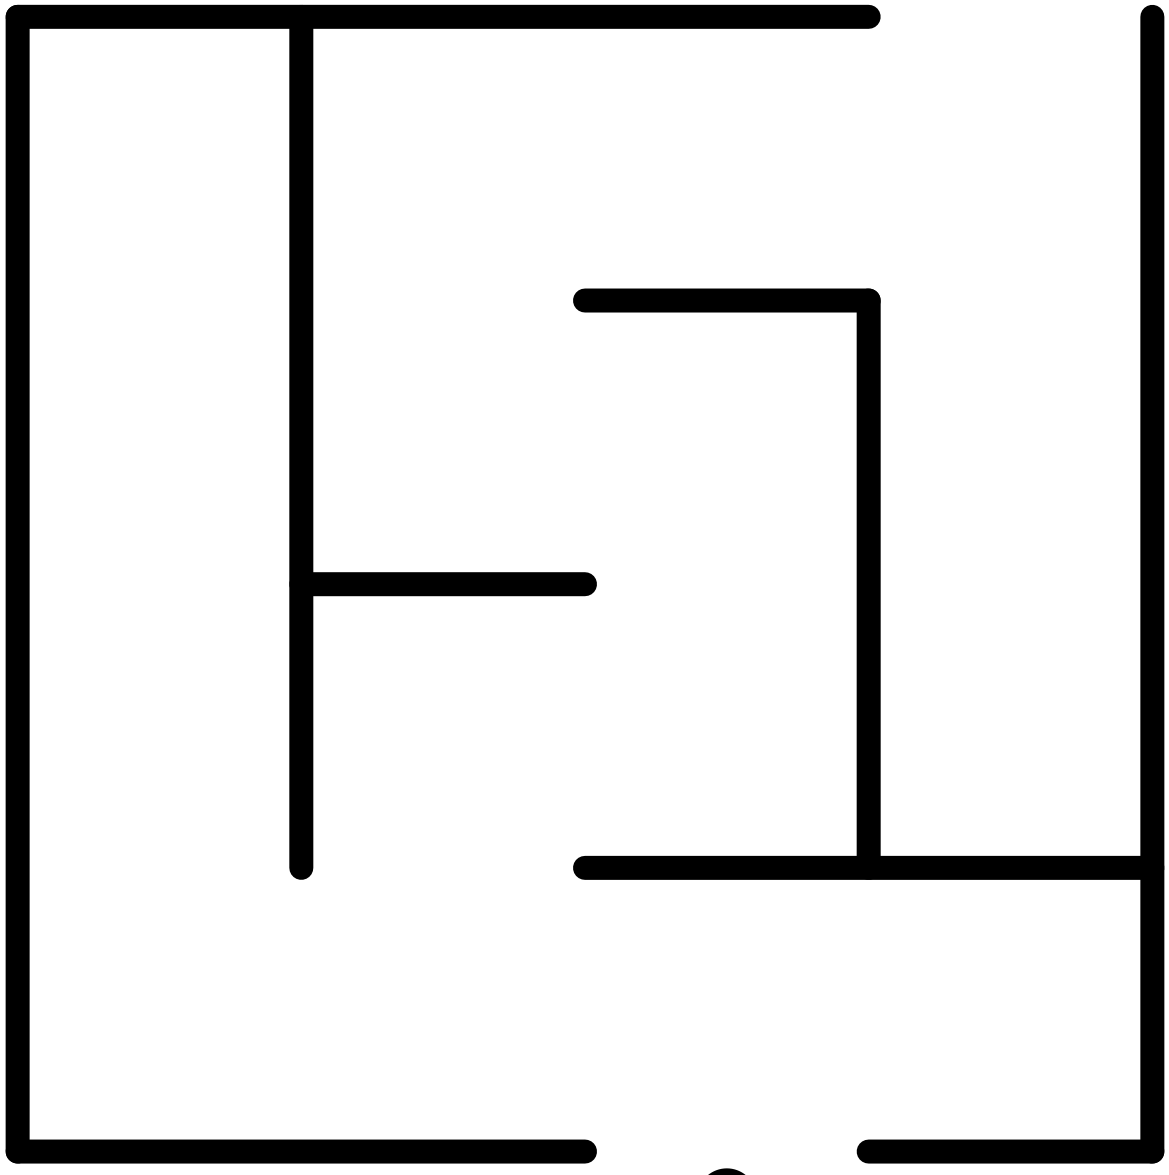

Grown-up tip

Let your child use a crayon or a thick pencil. Mazes build pencil control, patience and planning. Answers are at the back of the book if anyone gets stuck.
